

**SEPTEMBER 12-20, 2009**

Help us transport 5000 rescue animals, largely from kill shelters, to safety! If you are a rescue group or a shelter, we know you have animals that need homes! If you are a pilot with a plane, or have access to a plane, won't you please join us the week of September 12-20, 2009 and help us get these animals to safe havens across the country?

It's simple...

1. Go to [www.pilotsnpaws.org](http://www.pilotsnpaws.org) and click on "Join." Next go to the Pilots N Paws 5000 logo link on the homepage
2. That information page will guide you through the process to post for animal transport for this event
3. Rescuers and shelters work towards finding placement with other rescuers and shelters
4. Pilots- please check the animal transport requests and see if there is a flight you can volunteer for
5. Schedule your flights and save a life!!
