

THE HUMANE SOCIETY OF SARASOTA COUNTY'S  
LOW-COST, FULL-SERVICE VETERINARY CLINIC  
SERVING CATS AND DOGS

They may not like it...  
but **oral care** is an  
important part of  
pet health!

*Most pets have some degree  
of dental disease by age 3.  
It will get worse without  
proper treatment.*

Source: American Veterinary Medical Association

DENTAL SERVICES INCLUDE:

- Pre-anesthetic bloodwork\*
- Anesthesia
- Cleaning and polishing
- Extractions (if needed)
- Recovery period
- Medication (if needed)

**All dental procedures require a  
separate \$35 pre-dental exam.  
A custom quote will be issued for  
your pet's dental services.**

\*Pets over 7 years old require pre-anesthetic bloodwork.

Before  
Cleaning

**Dental care is just as  
important for pets as  
it is for humans.**

After  
Cleaning

**Benefits of professional  
dental services:**

- Fresher breath
- Healthier gums
- Easier time chewing
- Spot problems early
- Improved quality of life
